「十五少年漂流記」

account of drifting 15 juveniles

I can't
swim
at all

.....

W..
what
should
I do

I was
thinking
of dying
in the
Sea of
Trees
once

I should be
thankful
to have
survived
this long
in the
cage of
wild
beasts

ahh, my
me-
mories
of the
past are
resur-
facing

.....

oh
well
it's
ok

I wonder why..
I'm not even a teacher

huh?
the faces of my students are showing up too

wonder
what
that
sound
is

I
haven't
said
anything
of the
like!?

sensei
is saying
it's loud
so fucking
shut up

gnrk
grick

AH
?

how
many
do you
think
there are
of us

fine

stupid
bastards

the
number
doesn't
matter
if they're
all small
fries

or
murder
each-
other

U.. umm
this space
is small, so
please
don't fight
eachother

wanna
try
getting
out?

wh..
what
?

right

we
should
go too

um
mm
...

looks
like we
reached
land!

eh

let's
go,
sensei

every-

good-
bye

I can't
swim so
I have no
choice
but to
live here

blub

place
?

mya

u.. uh
you
know
...

d..
drift-trip,
is it!?

I don't
think
we were
drifting
for that
long
though

there
are some
coconut-
tree-y
things
growing
around

it looks
like we
are on a
island a
bit far
away

hey
doesn't
someone
have a
cell phone
or some
thing?

lo...
looks
like you
all are
safe and
sound...

shouldn't
we go
farther
inland?

well
there's
nothing
we can
do out
here

wring

well
it's given
that I
should be
suspected

I... I
knew it
the person
called Mura-
san is
suspicious
of me

the fact that
I haven't been
found out yet
must mean
the past spirit
is protecting
me...
